MEMORANDUM FOR: Executive Director-Comptroller

SUBJECT : The Executive Officers Group Meeting at Charlottesville,  
Virginia, 25 - 28 June 1970

Colonel White:

1. Attached for your information are a copy of the program and a list of the participants in the meeting at Charlottesville which I attended in your stead. The discussions on the principal substantive matters were interesting but, as you had predicted, not as directly applicable to our business as to the business of most of the other participants. The opportunity to meet many of the men for the first time and to renew acquaintance with others was a real plus for me for which I am grateful to you. There are in addition a number of points which I will be setting down separately which bear on our business or on future meetings.

2. You should be very gratified, if you will excuse my saying so, with the esteemed place you have established in the Executive Officers Group. One and all expressed genuine regret that you were not among their number this time.
